Splunk Training Opportunities

Two types of training opportunities are available to you

Denmark

ArrowEducation

splunk>
a **CISCO** company

We help you build your skills so you can grow your business.

Arrow Education as your Official Splunk Authorized Learning Partner (ALP) across Europe

Countries: Spain, Germany, Austria, Switzerland, Sweden, Finland, Denmark, Italy, Norway, Lithuania, Latvia, Estonia, Portugal.

Languages: possibility to get trained in 8 different local languages

A combination of **delivery methods,** including **virtual classroom** and the flexibility to **customize content** to meet your unique requirements.

Our award-winning education and training supports your transformation goals, helps your teams develop new and highly sought-after skills, and ultimately positions you to stay ahead of the rapidly changing technology environment.

Fast Starts

ALPs are the only entity offering the Fast Start Bundles aligned to Certifications today!

We combined several training modules into 4 "Fast Starts "which are aligned to the Splunk Certifications. Those are also in line with the Splunk PartnerVerse Program.

• Power User Fast Start

• Advanced Power User Fast Start

• Enterprise Administration Fast Start

• Architect Fast Start

Which Fast Start should I follow to reach my desired Certification?

course codes	SPL_POWER-U	SPL_APUFS	SPL_ADM-FT	SPL_ARCH-FT
course titles	Power User Fast Start	Advanced Power User Fast Start	Enterprise Administration Fast Start	Architect Fast Start
duration in days	4	3	4	5
Public prices $	4000	3000	3750	4000
