Commvault Engineer – CommCell Console -- Exam Included

CODE:	LENGTH:	PRICE:
COM_AID	24 Hours (3 days)	€2,160.00

Description

Elevate your knowledge of Commvault® software and maximize your organization's investment by learning and applying infrastructure design concepts in your environment. The Commvault Engineer course focuses on a deeper understanding of topics such as:
• CommCell® design
• Storage configuration
• Cloud computing and disaster recovery
• Commvault Deduplication
• Application protection in a virtual infrastructure
This course is structured as a design and implementation project where Commvault best practices are applied to prepare the participant to optimally plan for:
• CommServe® placement
• MediaAgent scaling, deduplication engine design
• Commvault HyperScale™
• Snapshot implementation
• Virtual Server Agent configuration from the ground up
• Performance. Emphasis is placed on VM protection, particularly for protecting virtualized applications including Microsoft Exchange, SQL and SharePoint.

Highlights

Delivery Methods
• Instructor-led (Available in some EMEA countries) • Virtual Instructor-led

Duration
• Three-day Instructor and Virtual Instructor-led

Audience

This course is intended for experienced administrators and engineers looking to elevate their knowledge in CommCell® design strategies focusing on storage design and cloud computing, Deduplication, Commvault HyperScale™, virtual data protection, and application protection.

Training Development

• This course is available as a 3-day Virtual Instructor-Led or Instructor-Led training.

Test and Certification

Completion of this course helps you prepare for the Commvault Engineer – CommCell Console Exam Certification. The Commvault Certified Engineer – CommCell Console is included free of charge as a part of the Commvault Engineer – CommCell Console instructor and virtual instructor-led course registration. To achieve Commvault Engineer – CommCell Console Certification you must first complete the Commvault Professional Certification.
