

CHECK POINT CYBER SECURITY LEARNING CREDITS

Cyber Security Training Programs

WHAT ARE CYBER SECURITY LEARNING CREDITS (CLC)?

Check Point CLCs enable customers to purchase training when buying new software, appliances, support, and services. Investing in learning credits ensures that customers receive the highest quality of training through innovative Check Point Cyber Security Training Programs led by Check Point Authorized Training Center (ATC) partners and other world-class professionals. Each Learning Credit (CLC) is valued at \$100 (USD) and is valid for one year from the date it is activated.

The ability to get the most of your Check Point Cyber Security investments and meet your business goals is directly tied to the skills and expertise of your IT staff. With the right training, your organization will retain a competitive edge and remain ahead of the technology curve. This enables you to increase productivity and safeguard your training budget by addressing your training needs at the time of the product purchase.

HOW MANY LEARNING CREDITS SHOULD I BUY?

Check Point recommends that you include a 7%-10% training budget for every deal in order to optimize your cyber security investment. As an example, if the deal is valued at \$100K, we advised you to add 70-100 CLC units to your quote. CLC subscription packages yield the highest optimal value. Refer to the CLC Calculation Chart to review CLC rates for Check Point certification/accreditation training offerings.

HOW DO I PURCHASE CHECK POINT LEARNING CREDITS?

CLC units may be purchased from a Check Point Reseller or via the Check Point Product Catalog. If you do not have a reseller, reference the partner locator for local contacts:

<https://partnerlocator.checkpoint.com/#/>

The screenshot shows the Check Point Product Catalog interface for '30 Cyber Security Learning Credits'. The page includes a search bar, navigation links, and a product overview section. The 'Description' section states that CLCs can be redeemed at the Check Point training portal for various programs. The 'Choose Your Product' section contains a table with one product entry:

DESCRIPTION	SKU	CATEGORY	PRICE PER UNIT
30 Cyber Security Learning Credit (CLC) 3-4 Training Days. CCSA, CCSE, CCSM, CISSP, CISM more..	CPTS-TRN-CLC-30S-1Y	Service	\$3,000

The 'YOUR SOLUTION' summary shows a total price of \$3,000, broken down into Products (\$0), Services (\$3,000), and Support (\$0). An 'Add To Cart' button is visible below the summary.

**Maximize
your IT
investment by
investing in
training.**

HOW DO CUSTOMERS REDEEM CLC FOR TRAINING?

CLCs may be redeemed for a wide range of courses and programs delivered by over 200 of the world's most recognized training partners via the Check Point Mind knowledge training portal. Simply sign into the User Center where the CLCs reside and choose the desired training option and training session to register. Reference the following video for the CLC redemption process path: [How to Redeem CLCs](#)

WHO ARE CHECK POINT AUTHORIZED TRAINING PARTNERS (ATCs)?*

Check Point ATC Partners are the only authorized commercial sources for providing Check Point Certification training. The partner network consists of over 200 certified instructors delivering more than 2,000 training sessions in 20 different languages every year. Proficient and certified in Check Point product knowledge, ATC instructors pride themselves on providing best-in-class training and delivering real-world experience using comprehensive instructional materials coupled with hands-on labs. For a complete listing of participating Training Partners, please visit: <https://checkpoint.com/mind/atc/locator>

(* Check Point Learning Credits can only be redeemed for training provided by participating Check Point ATC partners.

ARE CYBER SECURITY LEARNING CREDITS (CLC) AVAILABLE GLOBALLY? Yes.

HOW LONG ARE CLC VALID? A CLC unit is valid for 12 months from purchase date.

WHO DO I CONTACT IF I HAVE MORE QUESTIONS ABOUT CLCs?

Email CLC@checkpoint.com for questions related to purchasing CLCs.

For CLC account balance and redemption inquiries, submit a ticket for Account Services at <https://help.checkpoint.com/s/create-new-sr>.
