## Tenable.ad Specialist

<b>Kód:</b>	<b>DÉLKA:</b>	<b>CENA:</b>
TNB_TAD-ESS	16 Hours (2 DENNÍ)	Kč bez DPH 58,450.00

### Description

This fast-paced Tenable.ad™ Specialist Course provides the knowledge and skills necessary to effectively utilize Tenable.ad to address Active Directory (AD) risks and eliminate attack paths in enterprise IT environments. Participants in this two-day course will learn how to implement and support the Tenable.ad platform. Content for the instructor-led course includes installation and configuration of Tenable.ad in cloud or on-premises environments, a review of essential AD components and Tenable.ad operations, and detailed discussions on using Indicators of Exposure (IoEs) and Indicators of Attack (IoAs) to analyze vulnerabilities and detect attacks.

Cena školení je 2 000 USD a bude přepočtena aktuálním kurzem v den objednání.

### Určeno pro

This course is suited for professionals with operational responsibilities using Tenable.ad who want to expand their knowledge to maximize the solution's effectiveness.

### Vstupní znalosti

Tenable highly recommends that all participants complete the free Tenable.ad Introduction Course available at Tenable University before attending this course.

### Program

- Product Introduction
- Product Overview
- Enabling Indicator of Exposure (IoE) and Indicator of Attack (IOA)
- Introduction to Trail Flow and IoEs
- Introduction to IoAs
