Veeam Recovery Orchestrator Essentials

CODE:	LÄNGE:	PREIS:
VEE_TSU_VROE_OD	240 Hours	€1,750.00

Description

The Veeam Recovery Orchestrator course will demystify the complexities of how to seamlessly implement comprehensive and automated recovery plans. Learn how to leverage Veeam Recovery Orchestrator to automate and streamline tasks, effectively managing and orchestrating actions already present on your Veeam Backup & Replication server. With expert guidance, eliminate human error, accelerate recovery times, and gain the confidence to handle common scenarios with a meticulously crafted, documented, and automated plan. Enrolling in this course is the first step to optimize an effective data protection strategy. The Veeam Recovery Orchestrator course is the third of four courses required for the Veeam Data Platform Security Expert Certification. Course content is available for 30 days from the date of purchase or voucher usage. 30-Day Time Extensions are available for an additional fee. All course progress will be saved.
