i2 Analyst's Notebook Upgrade Course from V8 to V9x

CODE: **LENGTH:** **PRICE:**

U4AI25G 8 Hours (1 day) £650.00

Description

The version 9 upgrade has a refreshed look with easier access to various analysis functions. The upgrade course will enable students to utilise the new analysis functions and familiarise themselves with the changes that have been made to the software. In order to support students from all working environments, a range of data sets are used during the course, including people, financial, communication and crime data.
