## CommVault V11 New Features

CODE:	LENGTH:	PRICE:
COM_V11NF	8 Hours (1 day)	€720.00

### Description

Explore the exciting feature enhancements and additions to the next generation of Commvault® software. Learn about product changes and configuration options before upgrading your Commvault environment. This course focuses on feature changes including: security, indexing, deduplication, storage policies, and virtualization. This course includes the Commvault V11 Walkthrough supplemental guide and access to the V11 CVLab environment.

### Session Dates

On request. Please [Contact Us](#)
