# CommVault V11 New Features

| CODE: | LENGTH: | PRICE: |
|---|---|---|
| COM_V11NF | 8 Hours (1 day) | €720.00 |

## Description

Explore the exciting feature enhancements and additions to the next generation of Commvault® software. Learn about product changes and configuration options before upgrading your Commvault environment. This course focuses on feature changes including: security, indexing, deduplication, storage policies, and virtualization. This course includes the Commvault V11 Walkthrough supplemental guide and access to the V11 CVLab environment.

## Session Dates
