# IBM Turbonomic ARM PROfessional

| CODE:  | LENGTH:                 | PRICE:    |
|--------|-------------------------|-----------|
| TN950G | 35.04 Hours (4.38 days) | €3,900.00 |

## Description

IBM Turbonomic ARM PROfessional training develops a deeper understanding of such advanced features as Kubernetes App Management, ServiceNow integration, Webhooks, Horizon VDI, using the Turbonomic API, and Advanced Reporting.

## Class schedule

For a list of all Turbonomic upcoming course sessions and contact information, see: <https://github.com/turbonomic/training/wiki>

## Contact information

Internal: IBM\_Turbonomic\_Enablement-DG@ibm.com External: ibm\_turbonomic\_enablement@wwpdl.vnet.ibm.com

## Objectives

- Build a deeper knowledge of IBM Turbonomic and its advanced features, as well as of related technologies, such as Kubernetes, ServiceNow, Action Scripts, and Horizon VDI
- Use enhanced skills in deployment/installation, configuration, and troubleshooting IBM Turbonomic
- Gain expertise in using the IBM Turbonomic Application Programming Interface (API) to automate tasks

The following lectures are delivered in the class, and each of these has associated hands-on lab activities:

- Turbonomic Architecture and Deployment
- Container Platform Optimization
- Troubleshooting Techniques
- Using the Turbonomic API
- ServiceNow Integration
- Orchestration with Action Scripts & Webhooks
- Advanced Reporting

Download the complete agenda at: <https://ibm-learning-skills-dev.github.io/education/TN950.html>

## Audience

This course is designed for those in more technical roles such as software development and sales engineers.

## Prerequisites

General understanding of Cloud computing concepts

## Programme

The following lectures are delivered in the class, and each of these has associated hands-on lab activities:

- Turbonomic Architecture and Deployment
- Container Platform Optimization
- Troubleshooting Techniques
- Using the Turbonomic API
- ServiceNow Integration

- Orchestration with Action Scripts & Webhooks
- Advanced Reporting

## Session Dates
