IBM Cognos Analytics: Dashboard Essentials (V11.1.x)

CODE: **DURÉE:** **PRIX H.T.:**

B6289G 4 Hours €115.00

Description

This Web-Based Training course teaches authors how to create dashboards in IBM Cognos Analytics so users can explore and interact with their data and gain insight into their business. You will learn how to add data sources, create and interact with dashboards, and customize content for presentation. You will also learn how to create effective narratives by using stories, and how to use explorations to perform a deeper analysis on your data.

Objectifs

Introduction to dashboarding in IBM Cognos Analytics
Navigate Cognos Analytics dashboarding
Edit mode versus View mode
Work with an existing dashboard
Edit a dashboard
Create basic dashboards
Create a new dashboard
Select a Dashboard Type and Layout
Add Data Sources and Visualizations
Save and view a dashboard
Create a story
Identify a story
