## Commvault Engineer – CommCell Console

CODE: LENGTH: PRICE:

COM AID 24 Hours (3 days) €2,160.00

#### **Description**

Elevate your knowledge of Commvault® software and maximize your organization's investment by learning and applying infrastructure design concepts in your environment. The Commvault Engineer course focuses on a deeper understanding of topics such as:

- · CommCell® design
- Storage configuration
- · Cloud computing and disaster recovery
- · Commvault Deduplication
- · Application protection in a virtual infrastructure

This course is structured as a design and implementation project where Commvault best practices are applied to prepare the participant to optimally plan for:

- · CommServe® placement
- MediaAgent scaling, deduplication engine design
- Commvault HyperScale™
- · Snapshot implementation
- Virtual Server Agent configuration from the ground up
- Performance. Emphasis is placed on VM protection, particularly for protecting virtualized applications including Microsoft Exchange, SQL and SharePoint.

#### **Highlights**

**Delivery Methods** 

• Instructor-led (Available in some EMEA countries) • Virtual Instructor-led

#### Duration

• Three-day Instructor and Virtual Instructor-led

#### **Audience**

This course is intended for experienced administrators and engineers looking to elevate their knowledge in CommCell® design strategies focusing on storage design and cloud computing, Deduplication, Commvault HyperScale™, virtual data protection, and application protection.

#### **Training Development**

• This course is available as a 3-day Virtual Instructor-Led or Instructor-Led training.

#### **Test and Certification**

Completion of this course helps you prepare for the Commvault Engineer – CommCell Console Exam Certification. The Commvault Certified Engineer – CommCell Console is included free of charge as a part of the Commvault Engineer – CommCell Console instructor and virtual instructor-led course registration. To achieve Commvault Engineer – CommCell Console Certification you must first complete the Commvault Professional Certification.
