# Sterling Order Management Practice Environment

<b>CODE:</b>	<b>LENGTH:</b>	<b>PRICE:</b>
6F133G	2 Hours	€270.00

## Description

The IBM Sterling Order Management Practice Environment encourages learners to navigate through the user interfaces (UI), practice custom configurations, and experiment with the features of the out-of-the-box product.❖❖

The practice environment is a live environment where you can try out custom scenarios, test, and apply your product knowledge to address real-world business challenges.

The environment includes a few hands-on exercises to enable you to start using the practice environment. The step-by-step instructions in the exercises will help learners get comfortable with the Sterling Order Management application.

## Objectives

By the end of the course, learners should be able to:❖❖

- Locate an enterprise after launching the Applications Manager❖
- Create child organizations and departments❖
- Create a user group and team❖
- Create a custom condition
- Create a catalog, category, and item using IBM Sterling Business Center❖
- Perform inventory adjustment❖
- Create an on-hand inventory monitor

## Audience

Developers, implementers, business users, system administrators, and technical architects❖
