### Description

Official ISC2 Online Self-Paced SSCP Training is a groundbreaking way to prep for certification that uses artificial intelligence to customize your learning journey. It pinpoints areas that require additional focus and guides you through your exam prep in a way that's truly personalized.

Study smarter, not harder, with these key advantages:

- Personalized instruction
  - Content, pace and difficulty adapt to your individual knowledge, learning speed and confidence level.
- Enhanced engagement
  - Immediate feedback and dynamic content enable you to learn at an appropriate level.
- Time savings
  - Training time is optimized by focusing on areas that require the most review.
- Improved learning outcomes
  - The platform identifies areas requiring further review and provides targeted support to maximize your understanding of the content.

What's included with each option\*:

- Self-paced online adaptive learning journey
- Data-driven analytics dashboard for real-time feedback on learner progress
- Robust search functionality to narrow topics
- Pre- and post-course assessments
