IBM Cognos Analytics: Introduction to Authoring (v11.0)

CODE: B6025G **LENGTH:** 5.04 Hours **PRICE:** kr2,115.00

Description

Contains: instructional and interactive content, demonstrations and hand-on simulated exercises.

The IBM Cognos Analytics: Introduction to Authoring (v11.0) course presents you with ways to create, enhance, customize, and manage reports and charts using IBM Cognos Analytics - Reporting. Participants will view demonstrations and work through scenarios that illustrate key introductory concepts while exploring the basics of the Reporting tool.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the Self-Paced Virtual Classes and Web-Based Training Classes on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course. <http://www.ibm.com/training/terms>
