## Red Hat Learning Subscription Basic

CODE:	LENGTH:	PRICE:
REH_LS120	2920 Hours	kr54,000.00

### Description

Red Hat Learning Subscription is a continuous learning solution that provides users with one year of access to online training and video classroom modality courses. There are three subscriptions available for purchase that include additional features: basic, standard and developer. For each of these tiers, there is also an enterprise subscription package.

The basic tier of Red Hat Learning Subscription includes access to our entire catalog of online learning content, video classroom courses and early access content. The subscription also includes up to 400 hours of lab access and email support for both access and content.

### Session Dates
