Red Hat Learning Subscription Standard

CODE:	LENGTH:	PRICE:
REH_LS220	2920 Hours	kr70,000.00

Description

Red Hat Learning Subscription is a continuous learning solution that provides users with one year of access to online training and video classroom modality courses. There are three subscriptions available for purchase that include additional features: **basic**, **standard** and **developer**. For each of these tiers, there is also an enterprise subscription package.
The standard tier includes access to our entire catalog of online learning content, video classroom courses, early access content and up to 400 hours of hands-on lab time that is included in the basic tier. In addition, you get features including certification exams, expert seminars, and learning paths.

Audience

This one-year subscriptions is designed to help you develop the skills and knowledge demanded by a growing technology market. It is offered in both online training and video classroom format, with high-quality content designed to prepare you for certification exams.
