InfoSphere Data Explorer Administrator Training - SPVC

CODE:	DURÉE:	PRIX H.T.:
2W220G	40 Hours	€1,200.00

Description

This training course is for those who want comprehensive InfoSphere Data Explorer training. It will give you hands on experience with configuration, operation, and maintenance of the Data Explorer software, as well as discuss both the theory and application of implementing solutions.

This is education on the product formerly known as Vivisimo Velocity. This content is comparable to that which was previously contained in the Vivisimo Velocity Administrator training.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the **Self-Paced Virtual Classes and Web-Based Training Classes** on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course.

<http://www.ibm.com/training/terms>

Objectifs

- You will have hands-on experience with configuration, operation, and maintenance of the Data Explorer software.

Audience

This intermediate hands-on training course is for those who want comprehensive InfoSphere Data Explorer training.
