Description

Learn how to manage your real estate lease obligations with IBM TRIRIGA. With TRIRIGA you can store all contract documentation, conditions, clauses, options, and financial transactions in one comprehensive repository. Learn to set up automated notifications and alerts about upcoming critical dates including lease expirations, required actions, and contract options to avoid overpayment, late fees, and missed opportunities. You also learn to create up-to-date financial reports, maintain an accurate payment process, and satisfy regulatory requirements. To get the most from this course, plan how you will use TRIRIGA in your current environment before attending the course.
