IBM Cognos Framework Manager Design Metadata Models (V10.2.2)

CODE:	DURÉE:	PRIX H.T.:
B5A52G	40 Hours (5 Jours)	€3,250.00

Description

IBM Cognos Framework Manager: Design Metadata Models (V10.2.2) is designed to provide you with introductory to advanced knowledge of metadata modeling concepts, and how to model metadata for predictable reporting and analysis results using Framework Manager. You will learn the full scope of the metadata modeling process, from initial project creation, to publishing of metadata to the Web, enabling end users to easily author reports and analyze data.

Objectifs

Please refer to the Course Overview for description information.

Audience

This advanced course is recommended for developers who design metadata models for use in IBM Cognos BI.

Prérequis

You should have:

- Knowledge of common industry standard data structures **and** design
- Experience with SQL
- Experience gathering requirements **and** analyzing data

Programme

- Overview of IBM Cognos BI
- Identifying common data structures
- Gathering requirements
- Creating a baseline project
- Preparing reusable metadata
- Modeling for predictable results
- Creating calculations and filters
- Implementing a time dimension
- Specifying determinants
- Creating the presentation view
- Working with different query subject types
- Setting security in Framework Manager
- Creating analysis objects
- Managing OLAP data sources
- Advanced generated SQL concepts and complex queries
- Using parameters in Framework Manager
- Modeling maintenance and extensibility
- Optimizing Framework Manager models
- Working in a multi-modeler environment
- Managing packages in Framework Manager

Informations supplémentaires

Prior to enrolling, IBM Employees must follow their Division/Department processes to obtain approval to attend this public training class. Failure to follow Division/Department approval processes may result in the IBM Employee being personally responsible for the class charges.

GBS practitioners that use the EViTA system for requesting external training should use that same process for this course. Go to the EViTA site to start this process:

<http://w3.ibm.com/services/gbs/evita/BCSVTEenrl.nsf>

Once you enroll in a GTP class, you will receive a confirmation letter that should show:

- The current GTP list price
- The 20% discounted price available to IBMers. This is the price you will be invoiced for the class.

Dates de session

Sur demande. [Merci de nous contacter](#)
