IBM Cognos BI for Consumers (V10.2.2)

CODE: **DURÉE:** **PRIX H.T.:**

B5A88G 8 Hours €95.00

Description

IBM Cognos BI for Consumers (V10.2.2) will teach consumers how to access reports, create report views, schedule reports, run reports with options, how to take action on BI events by creating tasks and notifications, how generate, view, manage, add comments to, set alerts on, and create watch rules for, saved output, how to personalize the appearance of IBM Cognos Connection, and how to create dynamic dashboards.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the **Self-Paced Virtual Classes and Web-Based Training Classes** on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course.
