VMware Carbon Black EDR Administrator

CODE:	LENGTH:	PRICE:
VMW_VCBEDRA	8 Hours (1 day)	£650.00

Description

This one-day course teaches you how to use the VMware Carbon Black® EDR™ product and leverage the capabilities to configure and maintain the system according to your organization's security posture and policies. This course provides an in-depth, technical understanding of the Carbon Black EDR product through comprehensive coursework and hands-on scenario-based labs.

Objectives

By the end of the course, you should be able to meet the following objectives:

- Describe the components and capabilities of the Carbon Black EDR server
- Identify the architecture and data flows for Carbon Black EDR communication
- Describe the Carbon Black EDR server installation process
- Manage and configure the Carbon Black EDR sever based on organizational requirements
- Perform searches across process and binary information
- Implement threat intelligence feeds and create watchlists for automated notifications
- Describe the different response capabilities available from the Carbon Black EDR server
- Use investigations to correlate data between multiple processes

Audience

System administrators and security operations personnel, including analysts and managers

Programme

1 Course Introduction

- Introductions and course logistics
- Course objectives

2 Planning and Installation

- Hardware and software requirements
- Architecture
- Data flows
- Server installation review
- Installing sensors

3 Server Administration

- Configuration and settings
- Carbon Black EDR users and groups

4 Process Search and Analysis

- Filtering options
- Creating searches
- Process analysis and events

5 Binary Search and Banning Binaries

- Filtering options
- Creating searches
- Hash banning

6 Search best practices

- Search operators
- Advanced queries

7 Threat Intelligence

- Enabling alliance feeds
- Threat reports details
- Use and functionality

8 Watchlists

- Creating watchlists
- Use and functionality

9 Alerts / Investigations / Response

- Using the HUD
- Alerts workflow
- Using network isolation
- Using live response

Session Dates

Date	Location	Time Zone	Language	Type	Guaranteed	PRICE
08 Feb 2023			English	Self Paced Training		£650.00
