# OS/390 JES2 Operator Training

**CODE:**            **DURÉE:**            **PRIX H.T.:**

ES28G            24 Hours (3 Jours)            €2,390.00

## Description

This course is designed to give the z/OS Operator personnel as well as entry systems programmers an overview about JES2. The students should be able to use JES2 commands at the z/OS Console and use SDSF.

## Objectifs

- Understand the z/OS environment and JES2 role
- Start JES2 with focus on options and shutdown
- Control JES2 with commands and SDSF
- Control JES2 job flow, selection, and processing
- Control output processing and printers
- Understand z/OS influence on JES2 processing

## Audience

This intermediate course is for z/OS Operators (console and periphery), help desk, and support personnel.

## Prérequis

You should have completed:

- *z/OS Basic System Skill (ES10)*
- *z/OS System Operations (ES27)*

## Programme

### Day 1
