IBM Cognos TM1: Create Scorecards (V10.2) - SPVC

CODE: **DURÉE:** **PRIX H.T.:**

J1259G 8 Hours €300.00

Description

This is the self paced training version of IBM Cognos TM1: Create Scorecards classroom course. IBM Cognos TM1: Create Scorecards is a one-day self paced course that teaches scorecard developers how to create scorecarding solutions in TM1. Through a series of lectures and hands-on exercises, participants will learn how to create all of the necessary scorecarding objects such as metrics cubes, diagrams, and maps, deploy the solution to the Web for end-user consumption, and create an engaging dashboard presentation for the solution.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the **Self-Paced Virtual Classes and Web-Based Training Classes** on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course.
