Overview of IBM Cognos BI (V10.2.2) - SPVC

CODE: **DURÉE:** **PRIX H.T.:**

J2A08G 8 Hours €300.00

Description

Overview of IBM Cognos BI (V10.2.2) provides participants with a high level overview of the IBM Cognos BI suite of products and their underlying architecture. Participants will examine each BI component as it relates to the comprehensive Smarter Analytics solution, and will be shown a range of resources to access additional information on each product.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the **Self-Paced Virtual Classes and Web-Based Training Classes** on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course.
