# IBM Cognos Framework Manager Design Metadata Models (V10.2.2) - SPVC

**CODE:**      **DURÉE:**      **PRIX H.T.:**

J2A52G      40 Hours      €1,500.00

## Description

IBM Cognos Framework Manager: Design Metadata Models (V10.2.2) is designed to provide participants with introductory to advanced knowledge of metadata modeling concepts, and how to model metadata for predictable reporting and analysis results using Framework Manager. Participants will learn the full scope of the metadata modeling process, from initial project creation, to publishing of metadata to the Web, enabling end users to easily author reports and analyze data.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the **Self-Paced Virtual Classes and Web-Based Training Classes** on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course.

<http://www.ibm.com/training/terms>

## Objectifs

Please refer to course overview

## Audience

This advanced course is recommended for developers who design metadata models for use in IBM Cognos BI.

## Prérequis

You should have:

- Knowledge of common industry standard data structures **and** design
- Experience with SQL
- Experience gathering requirements **and** analyzing data

## Programme

- Overview of IBM Cognos BI
- Identifying common data structures
- Gathering requirements
- Creating a baseline project
- Preparing reusable metadata
- Modeling for predictable results
- Creating calculations and filters
- Implementing a time dimension
- Specifying determinants
- Creating the presentation view
- Working with different query subject types
- Setting security in Framework Manager
- Creating analysis objects
- Managing OLAP data sources
- Advanced generated SQL concepts and complex queries
- Using parameters in Framework Manager
- Modeling maintenance and extensibility
- Optimizing Framework Manager models

- Working in a multi-modeler environment
- Managing packages in Framework Manager

## **Dates de session**

Sur demande. [Merci de nous contacter](#)
