# Create Reports using IBM Cognos Analytics - Reporting - eLearning

<b>CODE:</b>	<b>DURÉE:</b>	<b>PRIX H.T.:</b>
K01001G	8 Hours	€150.00

## Description

This offering provides authors with an introduction to the reporting capabilities in IBM Cognos Analytics – Reporting. Authors will learn about the reporting environment, the different types of reports that can be created, and how they can be enhanced by modifying properties.

**Note:** Guided eLearning is a self-paced offering which includes web-based content for self-study and videos (including audio) that demonstrate activities.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the Self-Paced Virtual Classes and Web-Based Training Classes on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course. <http://www.ibm.com/training/terms>
