Analyze Data with IBM Planning Analytics Workspace - eLearning

CODE: **DURÉE:** **PRIX H.T.:**

K05001G 8 Hours €150.00

Description

Teaches analysts and consumers how to use IBM Planning Analytics Workspace to analyze data, contribute to plans, and build compelling reports delivering greater insight into your business.

Note: Guided eLearning is a self-paced offering which includes web-based content for self-study and videos (including audio) that demonstrate activities.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the Self-Paced Virtual Classes and Web-Based Training Classes on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course. <http://www.ibm.com/training/terms>
