IBM Learning for Cloud Enterprise Subscription (Role-based)

CODE:	LENGTH:	PRICE:
SUBR015	2920 Hours	€123,400.00

Description

Designed to certify skills needed to run hybrid multicloud environments
Certification learning paths are available for cloud industry hot job roles. There are up to 3 certification levels for each role: Associate, Professional and Advanced. Associate is the recommended level if you have less than 6 months experience.
Enterprise : This flexible subscription includes 75 ways (we call them access enrollment keys) to allocate the courses among your organization's employees as you like.
Center for Cloud Training - IBM Training
Please notice: the DLS tokens do not have the same activation logic as a standard digital learning course. The 12-month access to the token (start/end date) is based on date of sale, not activation. Access to the course materials will be available for the duration of the subscription.
