Network Performance Insight 1.4 - Fundamentals

CODE:	DURÉE:	PRIX H.T.:
TOD42G	8 Hours	€300.00

Description

IBM Network Performance Insight provides comprehensive, flexible, and scalable traffic data management with visualization and reporting features. In this course you learn how to install IBM Network Performance Insight, integrate it with IBM Dashboard Application Services Hub, IBM Tivoli Netcool/OMNIBus, and IBM Tivoli Network Manager IP Edition. You also learn how end users interact with the product. You use lectures and hands-on lab exercises to acquire these skills during this course. If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the Self-Paced Virtual Classes and Web-Based Training Classes on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course. <http://www.ibm.com/training/terms>

Objectifs

After you complete this course, you can perform the following tasks:

- Install IBM Network Performance Insight
- Integrate the IBM Network Performance Insight user interface into IBM Dashboard Application Services Hub
- Integrate Network Performance Insight with IBM Tivoli Netcool/OMNIBus
- Integrate Network Performance Insight with IBM Tivoli Network Manager IP Edition

Audience

This course will be useful to implementers, administrators, technical sales persons, and any others who need IBM Network Performance Insight skills.

Prérequis

Before taking this course, you should have Linux administration skills.

Programme

Installation and IBM Dashboard Application Services Hub Integration

- Installing IBM Network Performance Insight - Lesson 2: Integrating with IBM Dashboard Application Services Hub

IBM Network Performance Insight Integration

- Integrating with IBM Tivoli Netcool/OMNIBus - Lesson 2: Integrating with IBM Tivoli Network Manager IP Edition

Using IBM Network Performance Insight

Informations supplémentaires

Prior to enrolling, IBM Employees must follow their Division/Department processes to obtain approval to attend this public training class. Failure to follow Division/Department approval processes may result in the IBM Employee being personally responsible for the class charges.

GBS practitioners that use the EViTA system for requesting external training should use that same process for this course. Go to the EViTA site to start this process:

<http://w3.ibm.com/services/gbs/evita/BCSVTEnr1.nsf>

Once you enroll in a GTP class, you will receive a confirmation letter that should show:

- The current GTP list price
- The 20% discounted price available to IBMers. This is the price you will be invoiced for the class.

Dates de session

Date	Lieu	Time Zone	Langue	Type	Garanti	PRIX H.T.
04 Jun 2023			Français	Self Paced Training		€300.00
