Description

HCPA-Storage certification is about the pre-sales of Huawei enterprise storage products.

HCPA-Storage certification curriculum includes: The status and market trends of storage products, features, solution highlights and industry applications. **With HCPA-Storage certification**, you obtain an in-depth understanding of Huawei storage products, are able to provide customization, and possess pre-sales design capabilities on marketing storage products.

With certified HCPA-Storage engineers, enterprises are able to sell the Huawei enterprise storage products, and deliver Huawei solutions creation, meeting customer's general business requirements.

Session Dates

On request. Please [contact us](#)
