Arrow Learning Solutions Training Unit

CODE:		PRICE:
ATU	LENGTH:	\$100.00

Description

Arrow Training Units (EDUATU) Description Searching for a great solution to pre-pay for training with budget dollars available today? Tired of being locked into specific training sets when purchasing vendor training credits? Arrow Training Units (TUs) is the solution you've been looking for! Available in increments of \$100, Arrow TUs are prepaid training vouchers that are a flexible solution for organizations whose training needs vary from a single course to an entire series of courses, internal or external. Training Units can be redeemed for a breadth of Arrow ECS Learning Solutions courses across ALL vendors and for all delivery modalities: classroom, live online, or self-paced training. Also, Arrow TUs are valid for 12 months from purchase date, giving you and your organization the opportunity to find the course you want taught at the time you need – the ultimate in flexibility! In order to purchase a course, the value of the TUs must be equal to or greater than the published price of the course. There is no refund of partial TUs. For example, if a technical course has a list price of \$2,995 the required amount of TUs to purchase the course will be 30 TUs. To assist with using Arrow TUs when purchasing courses, Arrow ECS Learning Solutions has added the total amount of TUs to each 'Course Description'.

Session Dates
