Maximo 7.6 Asset Management

CODE:	LENGTH:	PRICE:
ZL1_W0106	1 day	£85.00

Description

This course discusses asset configuration and asset life cycle practices using Maximo. The course is delivered via interactive simulations where you have an opportunity to learn and potentially interact with the system while we lead you through the functionality. At the end you can test your knowledge by completing the short quizzes. These simulations may aid you in preparing for certification on the product.
