Maximo 7.6 New Features

CODE:	LENGTH:	PRICE:
W0111G	5.04 Hours	Free

Description

The course covers a number of new features in Maximo Asset Management that enrich the customer experience and enhance product functionality. Learn about those new features through the interactive simulations, where you have an opportunity to learn and potentially interact with the system while we lead you through the functionality. At the end you can test your knowledge by completing the short quizzes. These simulations may aid you in preparing for certification on the product. There are a total of ten (10) simulations in this course.
