Access the Entire eLearning Catalog

Access all of the training courses in our eLearning catalog on-demand to master skills on our products and technologies. Become an expert or cross-train across our products with flexibility to learn at your own pace.

Hands-on Labs

Get practical experience on the technology with guided labs to build on lecture content. Practice labs as many times as you need to master new skills.

Instructor Office Hours

In 30-minute increments, schedule time to speak directly with a Citrix Certified instructor one-on-one via GoToMeeting.

Certification Exams

Receive three (3) exam vouchers each year to redeem at a testing center in pursuit of attaining certification status after completing training. In addition, you will also have 2 attempts to all of our online product certification exams available here on training.citrix.com.

Downloadable Course Manuals

Download PDFs and other training materials that complement lecture videos and hands-on labs to help you master course content as you complete courses.

Release Training

Stay up-to-date on the latest Citrix releases with easy to consume lessons on new features. Learn how to get the most out of features as they are released.

TechEdge On-Demand Videos

Access hours of TechEdge sessions on your time and learn from expert support engineers about troubleshooting leading practices on Citrix products.
