### Programme

## Included with an annual Citrix All-Access Subscription

### Access the Entire eLearning Catalog

Access all of the training courses in our eLearning catalog on-demand to master skills on our products and technologies. Become an expert or cross-train across our products with flexibility to learn at your own pace.

### Hands-on Labs

Get practical experience on the technology with guided labs to build on lecture content. Practice labs as many times as you need to master new skills.

### Instructor Office Hours

In 30-minute increments, schedule time to speak directly with a Citrix Certified instructor one-on-one via GoToMeeting.

### Certification Exams

Receive three (3) exam vouchers each year to redeem at a testing center in pursuit of attaining certification status after completing training. In addition, you will also have 2 attempts to all of our online product certification exams available here on [training.citrix.com](https://training.citrix.com).

## Downloadable Course Manuals

Download PDFs and other training materials that complement lecture videos and hands-on labs to help you master course content as you complete courses.

## Release Training

Stay up-to-date on the latest Citrix releases with easy to consume lessons on new features. Learn how to get the most out of features as they are released.

## TechEdge On-Demand Videos

Access hours of TechEdge sessions on your time and learn from expert support engineers about troubleshooting leading practices on Citrix products.
