Commvault Professional Advanced

CODE:	LENGTH:	PRICE:
COM_PA	16 Hours (2 days)	kr18,000.00

Description

Continue to enhance your learning experience with Commvault Professional Advanced. Partnered with the 3-day Commvault® Professional Foundations course, this 2-day course delves into advanced configurations, such as:

- How to deploy Commvault® environment components.
- How to configure advanced options relating to:
    - Storage
    - Deduplication
    - Storage policies
    - Advanced media management

This course is geared towards users who administer their Commvault environment using the CommCellÂ® console. However, those who use the Commvault Command Center will learn how to apply advanced options available in the CommCell® Console.

Audience

This course is intended for personnel responsible for day-to-day administration and management of Commvault® software.

Prerequisites

This course is intended for personnel responsible for day-to-day administration and management of Commvault® software.
