IBM Cúram SPM Platform Runtime Environment 6.0.5 - Expert Arena

Kód:	DÉLKA:	CENA:
9D56G	8 Hours	Kč bez DPH 9,380.00

Description

This Expert Arena provides you with on-demand access to the IBM Cúram Social Program Management (SPM) Platform runtime environment. This environment is used in the *Fundamentals of the IBM Cúram SPM Platform for Business Analysts 6.0.5 (9D470)* instructor-led course. The environment includes a standard Cúram runtime installation and also provides the product documentation supplied with IBM Cúram SPM Platform 6.0.5.

Note: The stated durations of each exercise are approximate and provided for guidance purposes only. The time taken to complete each exercise will vary by student. In addition, you may not complete each exercise in a single sitting, or decide to repeat an exercise that you are particularly interested in. The generous access-time allocation and availability period of this Expert Arena are designed to enable you to explore the runtime environment at your own pace and in some depth.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the **Self-Paced Virtual Classes and Web-Based Training Classes** on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course.
