IBM TechU Openshift on Power Systems

Kód:	**DÉLKA:**	**CENA:**
TU00021G	11.04 Hours	Kč bez DPH 7,370.00

Description

Digital transformation is happening faster now than ever before. Hybrid cloud infrastructures help cope with the increasing demands we face. Developers are looking to cloud-native development models to create the next wave of innovation and accelerate delivery. This Learning Path covers all aspects of using OpenShift on IBM Power Systems which will allow you implement new cloud-native applications and embark on an application modernization journey!

Cíle

- Discover OpenShift on Power Trends and Directions
- Learn how to modernize AIX applications and where to deploy to lower costs
- Learn How To Automate RedHat OpenShift Deployments on IBM Power Systems
- Understand Best Practices when Deploying OpenShift on Power
- Understand how to build a multi-architecture end-to-end cloud native applications running on RedHat OpenShift on Power
- Learn how to managing Kubernetes at enterprise scale with Red Hat Advanced Cluster Management
- Understand how to backup and restore using OpenShift Container Platform (OCP) on Power
- Learn how to integrate OpenShift applications on PowerVS with IBM Cloud services over DirectLink and connect CP4D

Určeno pro

IBM Power Systems Administrators, Hardware Developers and others interested in learning more developing Cloud Native applications and modernizing their IBM Power Systems environment

Program

OpenShift on Power - Trends and DirectionsApplication modernization with Red Hat OpenShift and IBM Power SystemsHow to modernize AIX applications in-place and where to deploy to lower costsLearn How To Automate RedHat OpenShift Deployments on IBM Power SystemsDeploying OpenShift on Power: Best PracticesRed Hat Openshift on IBM Power: Update and the Power of askingCloud Native Development with RedHat OpenShift on Power SystemsManaging Kubernetes at enterprise scale with Red Hat Advanced Cluster ManagementOpenShift Container Platform (OCP) on Power - backup and restore walkthroughCooking up an application 3 ways - OpenShift deployment patternsAdvanced Deployment Patterns for OpenShift on Power Virtual Server

Termíny školení

Datum	Místo konání	Časové pásmo	Jazyk	Typ	Garance termínu	CENA
20 Apr 2024			English	Web based Training		Kč bez DPH 7,370.00

Dodatečné informace

Školení je možné zajistit na míru. Kontaktujte nás pro bližší informace.
