VMware Carbon Black App Control Advanced Administrator

CÓDIGO:	DURACIÓN:	Precio:
VMW_VCBACAA	8 Hours (1 día)	A consultar

Description

Overview:

This one-day course teaches you how to configure and scope the rules within VMware Carbon Black® App Control™ product to maintain the system according to your organization's security posture and organizational policies. Additionally, this course covers troubleshooting both the server and the agent for Carbon Black App Control and how to identify issues that impact normal operations. This course provides an in-depth, technical understanding of the Carbon Black App Control product through comprehensive coursework and hands-on scenario-based labs.
