# IBM InfoSphere Advanced QualityStage V9.1

CÓDIGO:	DURACIÓN:	Precio:
1M412G	24 Hours	€450.00

## Description

Learn how to build QualityStage rule sets to standardize product data. Learn how to use reference matching to find related records. Gain hands-on experience by building jobs that standardize and match product data.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the **Self-Paced Virtual Classes and Web-Based Training Classes** on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course.  
<http://www.ibm.com/training/terms>
