Zkoušky a certifikace

The Tenable.sc Specialist Certification is a two-part exam, written and practical, that validates your ability to plan, deploy, verify and troubleshoot the platform. The exam is taken online in a proctored environment, and candidates are allowed to use review materials for assistance. The written exam must first be completed before you are allowed to take the practical exam. Upon successful completion of both exams, a Tenable.sc Specialist Certification will be provided in electronic format.
