IBM InfoSphere FastTrack Essentials V9.1 - SPVC

CÓDIGO:	DURACIÓN:	Precio:
2M632G	8 Hours	€400.00

Description

This course is designed to teach IBM InfoSphere FastTrack fundamentals both in concepts and hands on. The course is updated to Information Server V9.1. This course enables you to acquire the skills necessary to create mapping specifications in FastTrack and generate DataStage jobs from them.

The self-paced format gives you the opportunity to complete the course at your convenience, at any location, and at your own pace. The course is available 24 hours a day. Once you have accessed the course, contact your provider for Level 1 and Level 2 support.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the **Self-Paced Virtual Classes and Web-Based Training Classes** on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course.
