IBM Cognos Analytics - Departmental Administration (v11.0) eLearning

Kód:	DÉLKA:	CENA:
B6091G	0.25 (den)	Kč 2,170.00

Description

Contains: instructional and interactive content, demonstrations and hand-on simulated exercises.

This Web-Based Training course provides students with knowledge and experience in using the administration capabilities available in the IBM Cognos Analytics 11.0 portal. They will learn how to manage the security environment, perform deployment of application content, create and manage data server connections, view and manage runtime activities, such as schedules, and manage some system activities

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the Self-Paced Virtual Classes and Web-Based Training Classes on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course. <http://www.ibm.com/training/terms>

Cíle

Please refer to course overview

Určeno pro

- Administrators performing administrative tasks in the IBM Cognos Analytics portal

Vstupní znalosti

- Knowledge of Web application server architectures and security systems administration
- Experience using the Windows operating system
- Experience using a Web browser
- Knowledge of your business requirements

Program

Managing activities• View status of current, upcoming, and past scheduled activities• Cancel or suspend activities• View and manage schedules• Disable, set priority, remove• Use my credentials to take ownership of a schedule• Create a job to schedule multiple activities5. Managing system settings• Enable a production environment• Configure data file storage

Více informací

Prior to enrolling, IBM Employees must follow their Division/Department processes to obtain approval to attend this public training class. Failure to follow Division/Department approval processes may result in the IBM Employee being personally responsible for the class charges.

GBS practitioners that use the EViTA system for requesting external training should use that same process for this course. Go to the EViTA site to start this process:

<http://w3.ibm.com/services/gbs/evita/BCSVTEnr1.nsf>

Once you enroll in a GTP class, you will receive a confirmation letter that should show:

- The current GTP list price
- The 20% discounted price available to IBMers. This is the price you will be invoiced for the class.
