Citrix ShareFile Enterprise Essentials

Kód:	DÉLKA:	CENA:
CTX_CSF-201	16 Hours (2 DENNÍ)	Kč bez DPH 22,000.00

Description

Školení je vedené virtuálně v angličtině.
In this two-day course, you will learn about enterprise file sharing and synchronization with ShareFile. You will gain the skills and understanding needed to configure and manage your ShareFile environment, including implementation of StorageZones and the Windows and XenApp and XenDesktop clients. Additionally, explore your control plane and data storage options; end-user management; and client deployment on Windows physical and virtual desktops. This course will give you an understanding of ShareFile administrative responsibilities and teach you how to navigate the administrative console for facilitated deployment and file sharing success. This course is designed for IT professionals with little ShareFile experience.
